**Grasping God's Word Workbook: A Hands-On Approach to Reading, Interpreting, and Applying the Bible** J. Scott Duvall, J. Daniel Hays

NOTE: This is a Workbook.

The widely used Grasping God's Word, now in a revised third edition, teaches the foundational principles and tools of biblical interpretation. J. Scott Duvall, who specializes in New Testament studies, and Old Testament scholar J. Daniel Hays survey numerous biblical passages, demonstrating solid interpretive strategies for understanding the Bible. This workbook is designed to use alongside the Grasping God's Word textbook, following its structure with activities that offer additional practice for all the elements of faithful scholarship as they are presented. College-level students and other serious learners will have the opportunity to try out their interpretive skills by applying them to specific genres and contexts. Both Grasping God's Word and Grasping God's Word Workbook treat Scripture as the solid rock of Christian faith, one that students will grip more easily when they know how to read it, how to interpret it, and how to apply it.
