Amber throws everything away to spend the night of her life with British tycoon Warwick Kincaid. The next morning, he drops a bombshell on Amber by asking her to live with him. However, her glee is cut short by what he utters next: "I don't plan on getting married, nor do I want kids. After one year is up, we're through." Hopelessly drunk on love, Amber can't help but consent to his selfish proposal. Ten months later, having devolved into an outlet for Warwick's lust and with the end of their one-year term in sight, Amber's distress is reaching its peak. But the needs of her body override the fear in her heart, and Amber's desire for Warwick grows ever fiercer.
