## **The Power of Persuasion: How We're Bought and Sold** Robert V. Levine

"An engaging, highly readable survey of the sophisticated methods of persuasion we encounter in various situations. From television to telemarketing and from self-deception to suicide cults, Levine takes a hard look at all the ways we attempt to persuade each other--and how and why they work (or don't). . . . The next time you wonder what possessed you to pay \$50 for a medallion commemorating the series finale of Friends, you'll know where to turn."

--Slashdot.org

"If you're like most people, you think advertising and marketing work--just not on you. Robert Levine's The Power of Persuasion demonstrates how even the best-educated cynics among us can be victimized by sales pitches."

--The Globe and Mail

"Levine puts [his] analysis in the service of his real mission--to arm the reader against manipulation."

--The Wall Street Journal

"This wonderful book will change the way you think and act in many realms of your life."

--Philip Zimbardo former president, American Psychological Association
