Have you heard stories about people striking it rich by selling their own private-label products on Amazon? Wish you could have financial freedom and more time with your family just like those other folks?

While it does require work on your part, it's easier than you think. I'll gladly show you the exact steps I took to choose and launch my first private-label product. I generated over \$118,000 in less than 6 months and have since increased my success almost 3-fold.

In this book I'll explain in simple, easy-to-understand language:

- How to find product ideas right before your eyes — if you know what to look for.
- My secret 10 x 10 x 1 formula that can bring you \$100 a day (\$36,500/yr.) in pure profit.
- The 5 phases of choosing & selling a product that is successful.
- My personal recommendations for locating manufacturers and vendors that are easy to work with.
- How "bootstrapping" can eventually turn you into a 6-figure earner.
- Sneaky little tips I've learned that will save you time and help with supplier price negotiations.
- My 2 favorite ways to launch your new product with unbelievable results.
- 2 vital elements that significantly impact your rankings. (It's not your title and your search terms!)
- My perfected 6-step plan for maintaining a steady flow of sales indefinitely.
- The 9 pitfalls you must overcome to be successful.
- The real-life case study of one Amazing Seller member who turned an initial \$500 investment into \$1,000 profit in about 60 days.

BONUS: You'll get access to a special **FREE** online course I've created to help you take action and launch your first private-label product on Amazon.
