An Introduction to the Study of Education (David Fulton Books)

An Introduction to the Study of Education (David Fulton Books)

This fully updated, fourth edition of *An Introduction to the Study of Education* provides a comprehensive and reflective introduction to the study of education, inviting students to question what education is, who it is for and what purpose it serves. Taking the reader from the early years through to lifelong learning, it examines all forms of education and learning.

This new edition includes ten completely new chapters and a step-by-step guide to essay writing. There is also a companion website to accompany the book, featuring additional chapters which can be visited at www.routledge.com/cw/matheson. This fully updated, fourth edition provides:

- a full exploration of the historical, sociological, philosophical and psychological roots of education;
- a clear focus on the individual levels of education – preschool, compulsory, post-compulsory and lifelong learning;
- the latest debates within special educational needs;
- an in-depth examination of learning styles;
- insights into the historical development of education and the role of, and background to, research in education;
- a focus on current educational practice and diversity across the United Kingdom and Ireland.

Written in a clear and accessible style, this is the essential core text for all beginning students on undergraduate and postgraduate courses in Education Studies and all those interested in education today, where it came from and where it is going.

Johnathan Fuller:

Reading a book for being new life style in this 12 months; every people loves to examine a book. When you examine a book you can get a lots of benefit. When you read guides, you can improve your knowledge, since book has a lot of information into it. The information that you will get depend on what forms of book that you have read. If you want to get information about your study, you can read education books, but if you want to entertain yourself look for a fiction books, this sort of us novel, comics, in addition to soon. The An Introduction to the Study of Education (David Fulton Books) will give you a new experience in examining a book.

Jeff Keenan:

As a student exactly feel bored to be able to reading. If their teacher asked them to go to the library in order to make summary for some book, they are complained. Just small students that has reading's heart or real their passion. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that reading through is not important, boring and can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this An Introduction to the Study of Education (David Fulton Books) can make you sense more interested to read.
