Will luck be a lady tonight? Or must we play the hand we're dealt? There is no need to use tarot cards to learn what the future holds: a regular deck of playing cards will do the trick - as long as you know how to read them.

*Fortune Telling Using Playing Cards* teaches readers how to translate the four suits of the tarot into the more familiar hearts, diamonds, spades, and clubs found in the common playing card deck. Readers will learn the meaning of the cards, their individual symbolism, keywords, astrological associations, and the significance of their numbers. There are even suggestions on how to do a quick reading when you're short on time - so you will always know what's in the cards.
