Lube Jobs: A Woman's Guide to Great Maintenance Sex

Debra MacLeod, Don MacLeod

Lube Jobs: A Woman's Guide to Great Maintenance Sex Debra MacLeod, Don MacLeod

A straight-talking women's guide to tending to a partner's unrequited libido and reigniting the sexual sparks in a long-term relationship.

Many couples are all too familiar with the classic bedroom balancing act-managing His and Her sex drives. As men clamor for more action and women grumble for more sleep, the topic of "maintenance sex"-those dutiful two minutes to "get it over with"-invariably arises to divide and conquer a couple's sex life. Yet as Don and Debra Macleod reveal in *Lube Jobs*, maintenance sex can be an exciting and loving way to jump-start a stalled sex life. And if it's done right, it can be fun for *both* parties. Indeed, just as the sleekest luxury car requires routine tune-ups for smooth performance, a long-term relationship requires regular lube jobs for a friction-free love life.

Part saucy sex manual, part relationship survival guide, *Lube Jobs* includes a provocative menu of twenty ready-made "lube jobs" consisting of naughty sex scenarios, bedroom-toy tips, sexual techniques, and erotica. Each lube job inspires a woman to embrace maintenance sex as a critical aspect of her committed relationship, and shows her how to infuse it with spontaneity and affection. Throughout are poignant, sometimes hilarious, stories of couples struggling to find their own balance in the bedroom.
