When boy meets (supernatural) boy

Buckle up as two queens of British gay romance take you on a whistlestop tour of all things paranormal. Vampires, genies, ghosts, magicians and shifters all get their chance for a bit of boy on boy action, in five erotic stories that span the range from the humorous to the sublime.

Will you seek to make your fortune with magic and ritual, or pin your hopes on a genie's power to grant wishes? Discover a shifty young man on a Scottish shoreline, meet a hapless garlic farmer who's been turned into one of the undead--and if you dare to venture into the cellar, gird your loins for a horny ghost!

These stories have all been previously published, but are now available exclusively in this anthology.
