**Cost Management - Simple Steps to Win, Insights and Opportunities for Maxing Out Success** Gerard Blokdijk

The one-stop-source powering Cost Management success, jam-packed with ready to use insights for results, loaded with all the data you need to decide how to gain and move ahead.

Based on extensive research, this lays out the thinking of the most successful Cost Management knowledge experts, those who are adept at continually innovating and seeing opportunities.

This is the first place to go for Cost Management innovation - INCLUDED are numerous real-world Cost Management blueprints, presentations and templates ready for you to access and use.

Also, if you are looking for answers to one or more of these questions then THIS is the title for you:

Is cost cutting a good way of cost management? Are there any project managers who applied the theory of constraints (TOC) or earned value management in project cost management? Where can I get free case studies on strategic cost management? What are some of the books or online forums where I can learn about finance, cost management and equity distribution related to a startup? Why do some startups have significantly higher burn rates than others? Is this a function of poor appreciation of cost management measures among many startup owners or something else? ...and much more...
