**The Night Watch** Sarah Waters

**“[A] wonderful novel...Waters is almost Dickensian in her wealth of description and depth of character.”—*Chicago Tribune***

Moving back through the 1940s, through air raids, blacked-out streets, illicit partying, and sexual adventure, to end with its beginning in 1941, *The Night Watch* tells the story of four Londoners—three women and a young man with a past—whose lives, and those of their friends and lovers, connect in tragedy, stunning surprise and exquisite turns, only to change irreversibly in the shadow of a grand historical event.
