## The Number of the Beast: 666 Revealed

What is the number of the beast? Are bible prophecies coming true today? How can one make sense of the end time events as described in the Book of Revelation?

These are all tough questions. In this book I am taking a small snapshot of a specific prophecy and showing how meaningful it is for us today. The information you are about to read is interesting and thought provoking for almost anybody and everybody. Believers will find it encouraging and skeptics will find it fascinating. It is a great starting point for digging into prophecy since we are looking at a very specific clue that has been revealed to us for our own benefit.

Whoever discovers this clue is strengthening themselves by gaining a new awareness about what the future has in store for humanity...

The topic of Bible Prophecy can be overwhelming. The book of Revelation alone can be daunting to read, let alone decipher! In this book, I am keeping things as simple as possible for the reader while cutting straight to the heart of the topic. Whenever possible I am putting scripture references in footnotes to help prevent the reader from getting bogged down in the applicable biblical references.

My goal is to make this an informative and valuable read to both those with casual interest and to those with a sharp academic interest in the topic; I am also trying to make the subject accessible to both believers and skeptics by presenting that material as straightforward as possible. Thank you for choosing this eBook, I pray it will be a blessing to you.
