The Radical Occult Philosophy of Anton Long: Order of Nine Angles R Parker

This work is an introduction to the Occult group The Order of Nine Angles (ONA, O9A), and its particular Occult philosophy. Written by O9A insiders, it should prove useful not only for those interested in the O9A but also in correcting many of the popular misapprehensions about the O9A. The first part details the Occult philosophy that forms the basis of the O9A, with the second part dealing with the author of that philosophy, the pseudonymous Anton Long. The appendices include some O9A texts relevant to understanding the Occult philosophy of the O9A. Also included is a fairly comprehensive bibliography, should the reader wish to peruse the O9A corpus. This Second Edition includes two new appendices - 'The Nine Angles', and 'Meeting With An Interesting Man'.
