The Silver Hand: Book Two in The Song of Albion Trilogy

Stephen R. Lawhead

The Silver Hand: Book Two in The Song of Albion Trilogy Stephen R. Lawhead

The great king, Meldryn Mawr, is dead, and his kingdom lies in ruins. Treachery and brutality rule the land, and Albion is the scene of an epic struggle for the throne. Lewis Gillies returns as Llew, seeking the true meaning behind a mysterious prophecy--the making of a true king and the revealing of a long awaited champion: Silver Hand.

The ancient Celts admitted no separation between this world and the Otherworld: the two were delicately interwoven, each dependent on the other. *The Silver Hand* crosses the thin places between this world and that, as Lewis Gillies seeks to learn the secret of the prophecy of *The Silver Hand*--and to save Albion before it is too late.
