Fred E. Jandt, An Introduction to Intercultural Communication: Identities in a Global Community Eighth Edition

An Introduction to Intercultural Communication: Identities in a Global Community prepares today's students to successfully navigate our increasingly global community. Fred E. Jandt introduces essential communication skills and concepts that will empower readers to interact successfully with different cultures and ethnic groups. To spark student interest, Jandt offers readers unique insights into intercultural communication, at home and abroad, through an emphasis on history, culture, and popular media. Each chapter integrates material on social media, as well as extensive new examples from recent international news and events. Throughout the text, Jandt reinforces the important roles that our own stories, personal experiences, and self-reflection play in building our intercultural understanding and competence. The Eighth Edition adds depth to the coverage of theory and includes two new features: Focus on Skills provides expanded coverage of intercultural communication in practice, while Focus on Technology illustrates the impact of new communication technology on intercultural encounters. The new edition also introduces a new map program to provide students with additional context for discussion of cultures and regions across the globe.

Fred E. Jandt, Intercultural Communication: A Global Reader

Intercultural Communication: A Global Reader contains 36 articles showcasing the development and diversity of intercultural communication theories in countries such as China, Africa, the United States, New Zealand, Mexico, Egypt, and others. Themes and topics discussed include identity and communication, intercultural verbal and nonverbal processes and interactions, relationships, and ethics.

The Reader presents a wide-range of articles, showing the permeance of intercultural communication in today's world and in everyday life. Examples of topics included are:

- Conflict management in organizations
- The impact of the Internet and of online global communication
- Gender differences in communication
- The increasing influence of globalization
- Health care
- Creating a culture of peace

Half of the readings are from non-U.S. authors/scholars, presenting readers with a truly global perspective on intercultural communication.
