Nursing care for pregnant women and children is a family-centered process, and **Maternal and Child Nursing Care, 3e**, is a text that addresses the needs of families across the continuum, from conception through adolescence. The themes that shape this book—nursing care in the community, client education, critical thinking, and evidence-based practice in nursing—will prepare students for the responsibility of managing care for families with diverse healthcare needs, and to work collaboratively with families and other health professionals to enhance care.
