Modern Family Law, Fifth Edition (Aspen Casebooks) D. Kelly Weisberg, Susan Frelich Appleton

Modern Family Law reflects the social diversity of the modern family as it examines the legal impacts of the women's movement, the children's rights movement, the fathers' rights movement, domestic violence, changing sexual mores, nontraditional family forms, and developments in reproductive technology.

Integrating valuable interdisciplinary perspectives, the text includes excerpts, notes, and questions emanating from history, psychology, sociology, social work, medicine, and philosophy. A variety of problem exercises, most derived from actual cases and current events, covers cross-cutting themes as well as the basics of family law. Human-interest stories that complement the cases heighten student awareness of the real impact of the law on people's lives. **Modern Family Law** Easily adapts to shorter or longer courses.

The **Fifth Edition** offers contemporary perspectives on family law theory and covers new developments on such topics as alienation of affections, adoption, assisted reproduction, attorneys' sexual ethics, bigamy, child abuse, child custody and support, divorce, domestic violence, grandparents' visitation rights, names in the family, parentage, premarital agreements, and reproductive rights. The text features major coverage of developments on same-sex marriage, DOMA, and other issues of equality for gay and lesbian families. The decline of marriage and the rise of new conceptualizations of family are explored along with the return of the "culture wars" including political disputes about contraception.

Features:

Marilyn Fox:

As a pupil exactly feel bored to be able to reading. If their teacher questioned them to go to the library or make summary for some reserve, they are complained. Just little students that has reading's internal or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that examining is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Modern Family Law, Fifth Edition (Aspen Casebooks) can make you experience more interested to read.
