Their love was born in Texas...

Gabriel Brandon had been her hero ever since she was a girl and he'd rescued her, an orphan, from sure ruin. And Michelle Godfrey had loved him forever, the mysterious rancher with the dark eyes, her protector and guardian angel. Now she'd blossomed into a woman. But could Michelle ever cast aside the shadows that lingered between them? Could she show Gabriel that their Lone Star love was true?

"Palmer's latest entry in her Long, Tall Texans series is an intriguing story that blurs the line between good and evil...the romance between the main characters builds nicely with some gentle humor, and the moral dilemmas they face are believable and engrossing."
