The Gift Danielle Steel

On a June day, a young woman in a summer dress steps off a Chicago-bound bus into a small midwestern town. She doesn't intend to stay. She is just passing through. Yet her stopping here has a reason and it is part of a story that you will never forget.

The time is the 1950s, when life was simpler, people still believed in dreams, and family was, very nearly, everything. The place is a small midwestern town with a high school and a downtown, a skating pond and a movie house. And on a tree-lined street in the heartland of America, an extraordinary set of events begins to unfold. And gradually what seems serendipitous is tinged with purpose. A happy home is shattered by a child's senseless death. A loving marriage starts to unravel. And a stranger arrives—a young woman who will touch many lives before she moves on. She and a young man will meet and fall in love. Their love, so innocent and full of hope, helps to restore a family's dreams. And all of their lives will be changed forever by the precious gift she leaves them.

The Gift, Danielle Steel's thirty-third best-selling work, is a magical story told with stunning simplicity and power. It reveals a relationship so moving it will take your breath away. And it tells a haunting and beautiful truth about the unpredictability—and the wonder—of life.

From reader reviews:

Randell Easley:

Now a day those who Living in the era wherever everything reachable by match the internet and the resources included can be true or not need people to be aware of each details they get. How people have to be smart in receiving any information nowadays? Of course the correct answer is reading a book. Reading a book can help people out of this uncertainty Information mainly this The Gift book as this book offers you rich info and knowledge. Of course the knowledge in this book hundred pct guarantees there is no doubt in it as you know.

Wesley Powell:

Reading a reserve tends to be new life style in this era globalization. With reading you can get a lot of information that could give you benefit in your life. Using book everyone in this world can share their idea. Textbooks can also inspire a lot of people. A lot of author can inspire their own reader with their story or perhaps their experience. Not only the storyline that share in the publications. But also they write about the data about something that you need instance. How to get the good score toefl, or how to teach your young ones, there are many kinds of book which exist now. The authors these days always try to improve their skill in writing, they also doing some analysis before they write to their book. One of them is this The Gift.

Alice Wilkerson:

The Gift can be one of your nice books that are good idea. Many of us recommend that straight away because this reserve has good vocabulary that will increase your knowledge in vocabulary, easy to understand, bit entertaining but still delivering the information. The writer giving his/her effort that will put every word into satisfaction arrangement in writing The Gift although doesn't forget the main stage, giving the reader the hottest and based confirm resource data that maybe you can be one of it. This great information can drawn you into completely new stage of crucial pondering.

Linda Manning:

Is it an individual who having spare time and then spend it whole day by watching television programs or just resting on the bed? Do you need something totally new? This The Gift can be the reply, oh how comes? The new book you know. You are therefore out of date, spending your free time by reading in this brand new era is common not a nerd activity. So what these textbooks have than the others?
