**Enjoy strict chastity, forced feminization, and female domination, in the gender swap story, 'Femdom ; The Dressmaker'**

Shaun is a fairly lazy about nineteen year old. His older sister works at a bridal couture shop. When he remarks about her job being a skive Caroline suggests he should try it... Except she's not sure how he'd look in a dress. Feeling defiant Shaun ends up making a bet, he bets she can't get him a job there and she bets he can't hack it.

As it turns out, Francesca, the boss has been getting grief from the job centre about discriminating against males in her employment policy. Not one to be defeated, she takes Caroline's suggestion about hiring her brother as a challenge and an opportunity... How far will her efforts to 'feminize' Shaun go? How will Shaun find his new life, blackmailed into Satin and Lace and working in the dress shop, trying on for customers and acting as Fran's manequin.

In the end, thanks to a little help from Dr Eve Wilshaw [Of 'The Hypnotist'] Shaun ends up not just accepting his new female status... He embraces it...

When Fran supplies him with a new experimental drug to make his breasts grow the results are quite surprising...

This is an adult themed forced feminization fiction fantasy story, which is unsuitable for under 18's. It features themes of female domination, male chastity, forced feminization, and orgasm denial.

**Enjoyed this one? There's now an effective 'sequel' in 'Gender Swap : Anita's Transgender Pill : A Gender Bender Story'**

All characters in this story are consenting, this story is pure fantasy and not within the realms of realism. If you're looking for male chastity within the realms of realism, I urge you to look at the works of 'Sarah Jameson' whose chastity and cuckholding fiction and male chastity guides are excellent.
