Since your ministry will never run out of guys and girls, we're helping you out with more small group curriculum designed to tackle issues relevant to each gender—from each gender's point of view.

In *Guy Talk Girl Talk 2: The Cure For Cooties*, you'll get ten weeks of ready-to-use—yet fully customizable—lessons, handouts, promotional materials and more. And while the material is written twice for separate guys and girls groups, the topics are the same for each lesson (like, you'll both study "Temptation" at the same time), just one is geared for guys and the other is geared for girls. This not only saves you tons of time in prep, but it also gives you lots of opportunity for discussion in a mixed group later.

If you'd like to have almost three months of biblically-based material for your students, this is it. Your students may never look at each other the same way again (praise God!).

Topics include:

- Decision making
- Emotions
- Expectations
- Family
- Fear
- Talents
- Opposite sex
- Internet
- Love and romance
- Temptation

On the CD-ROM you'll find:

- Leader guides and student handouts
- Promotional ecard, postcard, poster, and desktop background
- Editable letter from youth worker, & 2 editable postcards
- Journals for guys & girls for personal use
- Customized t-shirt & sticker designs for guys & girls
