Leisure Marketing Susan Horner, John Swarbrooke

Divided into nine parts, *Leisure Marketing: a global perspective* guides the reader through leisure and marketing concepts, the marketing mix, key issues in different sectors, topical issues (such as globalisation, marketing research and ethics, for example branding and environmental issues), and the future of leisure marketing.

A section of the book is devoted entirely to international case studies, which illustrate and highlight key themes and issues raised throughout in order to facilitate learning. Example of international cases used are:

- Disneyland Resort, Paris: The Marketing Mix
- Manchester United Football Club: Marketing the Brand
- The Growth of the Online Retail Travel Market
- Hilton Head Island, USA: The Leisure Island for Golf and Leisure Shopping
- Health, Leisure and Tourism Marketing including Spa Hotels, Health Clubs and lake Resorts.

This book combines real world experience with a solid theoretical framework. It is essential reading for anyone studying, teaching or working in marketing in the leisure industry.

From reader reviews:

Linda Haag:

Here thing why this specific Leisure Marketing are different and reputable to be yours. First of all reading through a book is good but it depends in the content of computer which is the content is as yummy as food or not. Leisure Marketing giving you information deeper since different ways, you can find any reserve out there but there is no publication that similar with Leisure Marketing. It gives you thrill looking at journey, its open up your own eyes about the thing that will happened in the world which is maybe can be happened around you. You can bring everywhere like in park your car, café, or even in your method home by train. When you are having difficulties in bringing the imprinted book maybe the form of Leisure Marketing in e-book can be your alternate.

Billy Anderson:

The reason? Because this Leisure Marketing is an unordinary book that the inside of the e-book waiting for you to snap the item but latter it will zap you with the secret the idea inside. Reading this book close to it was fantastic author who have write the book in such wonderful way makes the content interior easier to understand, entertaining approach but still convey the meaning entirely. So , it is good for you because of not hesitating having this ever again or you going to regret it. This excellent book will give you a lot of advantages than the other book get such as help improving your talent and your critical thinking approach. So , still want to hesitate having that book? If I had been you I will go to the guide store hurriedly.

Matthew Fry:

This Leisure Marketing is great reserve for you because the content and that is full of information for you who all always deal with world and get to make decision every minute. This kind of book reveal it information accurately using great plan word or we can claim no rambling sentences included. So if you are read this hurriedly you can have whole data in it. Doesn't mean it only provides you with straight forward sentences but challenging core information with splendid delivering sentences. Having Leisure Marketing in your hand like having the world in your arm, information in it is not ridiculous 1. We can say that no e-book that offer you world in ten or fifteen small right but this publication already do that. So , this can be good reading book. Hey there Mr. and Mrs. stressful do you still doubt this?

Juan Crowe:

Reading a book being new life style in this season; every people loves to examine a book. When you study a book you can get a lot of benefit. When you read publications, you can improve your knowledge, because book has a lot of information upon it. The information that you will get depend on what forms of book that you have read. If you need to get information about your study, you can read education books, but if you act like you want to entertain yourself read a fiction books, this kind of us novel, comics, along with soon. The Leisure Marketing provide you with a new experience in looking at a book.
