## **Our Government: The Three Branches (Primary Source Readers)** Shelly Buchanan

Once America was free from Great Britain, it needed to decide how to run the new country. The nation's founders split the government into three branches. This ensured that no one person would have too much power. This system keeps us free! Colorful images, supporting text, a glossary, table of contents, and index all work together to help readers better understand the content and be fully engaged from cover to cover.
