## **Seduction and Betrayal: Women & Literature** Elizabeth Hardwick

The novelist and essayist Elizabeth Hardwick is one of contemporary America's most brilliant writers, and *Seduction and Betrayal*, in which she considers the careers of women writers as well as the larger question of the presence of women in literature, is her most passionate and concentrated work of criticism. A gallery of unforgettable portraits--of Virginia Woolf and Zelda Fitzgerald, Dorothy Wordsworth and Jane Carlyle--as well as a provocative reading of such works as *Wuthering Heights*, *Hedda Gabler*, and the poems of Sylvia Plath, *Seduction and Betrayal* is a virtuoso performance, a major writer's reckoning with the relations between men and women, women and writing, writing and life.
