Come on a journey of erotic discovery where young guys seek out old gentlemen!

It is well known that to most gay men, a shapely, youthful body is the ultimate turn-on. But a few young guys, sometimes even married ones, are erotically attracted to old men, because of their age. Joseph Itiel (author of *Escort Tales; A Consumer's Guide to Male Hustlers; and Sex Workers as Virtual Boyfriends*), now in his early seventies, has discovered such young fellows. In *Dirty Young Men and Other Gay Stories*, he relates his experiences with them in intimate detail.

Dirty Young Men and Other Gay Stories is packed full of true younger-loves-older stories from all walks of life and from different countries.

From the author: "It took me until my middle fifties to become a sex object. Before reaching this age, nobody had ever been infatuated with my looks or physique. I hadn't been selected out of a crowd just because someone thought I would be a good lay. Wouldn't it be nice, I kept hoping, if for once I would fulfill somebody's sexual fantasies, and be picked for just this reason? Well, at the age of fifty-five, my daydreams started to become a reality. Finally, I became a sex object, a 'man toy,' to cute guys much younger than myself."

Dirty Young Men and Other Gay Stories is packed full of erotic true stories from the author's real life experience. Here is a sample of what you'll find:

- "Master of the Dildo"—the fulfillment of a young man's desire for penetration by a man old enough to be his father, notwithstanding his young (female) sweetheart
- "Bligh's Bounty"—the adventures of an older man in San Francisco's first gay go-go bar
- "The Hypnotic Suggestion"—an older "straight" man seeks to discover his true identity by exploring, through hypnosis, a fleeting gay moment in his past
- "An Affair in the Galilee Mountains"—a bittersweet love affair between a "professor" and a younger, uneducated local man
- "The Dominatrix"—the author befriends (and beds) a much younger man who, it turns out, makes his living as a cross-dressing dominatrix, administering beatings to "straight" men for money
- "Teaching a Man to Fish"—the author teaches two attractive young men the art of escorting

From Galilee to Lisbon to San Francisco, Joseph Itiel's *Dirty Young Men and Other Gay Stories* will take you on an erotic journey that you won't soon forget!
