Jason has developed a crush on Glenn Cartwright who seems almost too good to be true. Glenn is a paragon of virtue; a school prefect and Head Boy of Alston High. Jason's feelings are unrequited and he begins to wonder if his unattainable friend is asexual.

Excerpt:

“One of my friends, Max Greenstone, told me rather ruefully that he thought Glenn was probably one of the straightest boys ever born. Max admitted to me that he'd been trying to get a look at Glenn's cock in the change rooms after swimming but had never been successful. Although many of the other boys were certainly not bashful about flashing their cocks, Glenn seemed to be an expert at keeping the vital region covered whilst he was changing.”

Almost giving up on Glenn, Jason begins to experiment with his class mate Max. Together they explore the mysteries of sex including wanking, cock sucking and docking amongst other things. Tragedy strikes out of the blue when Glenn is involved in a serious automobile accident.
