A fight he must win . . .

Piper Oliver knows she can't trust him. They warned her that the tall, dark, and sexy black-ops soldier Jory Dean would try to win her over with his steel-gray eyes and deadly charm, but she won't be conned by this man they call a traitor. All she has to do is figure out the science necessary to save his life, and she's done. Something isn't adding up, though, and she won't rest until she uncovers the truth-even if it's buried in his deep, dangerous kiss.

A passion she can't resist . . .

Jory will do anything to reunite with and save his brothers-even kidnap the gorgeous woman who's working to deactivate the deadly chip in their spines. But the forces determined to destroy his family won't let them go so easily. Keeping Piper alive is more than he bargained for-and so is his burning desire for her. But with every second bringing him closer to certain death, can he afford to lose himself in her hot and willing embrace?
