Amazing Maurice & His Educated Rodents: Discworld Novel 28 (Discworld Novels) Terry Pratchett
A fantastic new edition of the master storyteller's Carnegie Medal-winning junior Discworld novel.

Maurice, a streetwise tomcat, has the perfect money-making scam. Everyone knows the stories about rats and pipers, and Maurice has a stupid-looking kid with a pipe, and his very own plague of rats -- strangely educated rats.

But in Bad Blintz, the little con suddenly goes down the drain. For someone there is playing a different tune and now the rats must learn a new word.

EVIL.

It's not a game any more. It's a rat-eat-rat world. And that might only be the start.
