## **The Neatest Little Guide to Stock Market Investing (Revised Edition)** Jason Kelly

From the time of its first publication five years ago, *The Neatest Little Guide to Stock Market Investing* has established itself as a clear, concise, and highly effective approach to stocks and investment strategy. Since the dot.com crash and ensuing bear market, significant changes have come about in the investing world, and *The Neatest Little Guide* takes this into account. In this revised edition, readers will learn:

€ Strategies on how to double the Dow with one simple investment and the latest products required for this approach

€ Methods investors can use to avoid disasters such as Enron and WorldCom

€ Thoroughly updated reference lists, including new websites, new software, new brokers, and new publications

With the right information for investors to keep pace, and rooted in the principles that made it invaluable from the start, *The Neatest Little Guide to Stock Market Investing* is a resource that no serious investor can be without.
