Study the central activities of a business, including today's hot topics, to learn accounting principles! INTERMEDIATE ACCOUNTING presents a user/decision-making approach combined with the necessary coverage of GAAP, codification, and IFRS to help you understand accounting in terms of what goes on in a business. The text's efficient format is not overwhelming like other encyclopedic texts, and it blends the core concepts of accounting principles with procedural applications. An expansive set of end-of-chapter material helps you prepare for exams.
