#### **Sandra Leggett:**

As a college student exactly feel bored to help reading. If their teacher expected them to go to the library or make summary for some publication, they are complained. Just very little students that has reading's spirit or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that studying is not important, boring as well as can't see colorful photos on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this James Earl Jones, Voices and Silences can make you truly feel more interested to read.
