The Handbook of Discourse Analysis (Blackwell Handbooks in Linguistics) Deborah Tannen, Heidi E. Hamilton, Deborah Schiffrin

The second edition of the highly successful *Handbook of Discourse Analysis* has been expanded and thoroughly updated to reflect the very latest research to have developed since the original publication, including new theoretical paradigms and discourse-analytic models, in an authoritative two-volume set.

- Twenty new chapters highlight emerging trends and the latest areas of research
- Contributions reflect the range, depth, and richness of current research in the field
- Chapters are written by internationally-recognized leaders in their respective fields, constituting a Who's Who of Discourse Analysis
- A vital resource for scholars and students in discourse studies as well as for researchers in related fields who seek authoritative overviews of discourse analytic issues, theories, and methods
