It is Tuesday 11th September 2001. By all accounts it is a normal day as Robbie leaves his girlfriend, Helen, to go to work. He has plans for that night, plans that will shape his future with Helen. But one plane floating in the distance will change the course of history, the world and the lives of thousands forever.

A Falling Man tells the story of one mans battle to decide if he will stay or jump from the tower in his final moments as the entire world - and the woman he loves - watches on.

Melissa Parton's book is the original "A Falling Man" story published on her blog in April 2012, having originally written the book in 2011.
