Black Mass: The True Story of an Unholy Alliance Between the FBI and the Irish Mob Dick Lehr

John Connolly and James "Whitey" Bulger grew up together on the streets of South Boston. Decades later, in the mid-1970s, they would meet again. By then, Connolly was a major figure in the FBI's Boston office and Whitey had become godfather of the Irish Mob. What happened next -- a dirty deal to bring down the Italian mob in exchange for protection for Bulger -- would spiral out of control, leading to murders, drug dealing, racketeering indictments and, ultimately, the biggest informant scandal in the history of the FBI.

Compellingly told by two Boston Globe reporters who were on the case from the beginning, Black Mass is at once a riveting crime story, a cautionary tale about the abuse of power, and a penetrating look at Boston and its Irish population.
