Break out your reading glasses—iPad instructions for seniors are here!

Tired of taking out the instructions for new tech gadgets, only to have the drab, eight point font prove basically illegible? Don't fret—the solution is finally here! *iPad For Seniors For Dummies, 8ᵗʰ Edition* uses a larger font for both the text and its full-color figures and drawings, making this the perfect resource for new iPad owners in their golden years. The updated content walks you through the setup process and introduces you to the iPad's new hardware. Additionally, it runs through all of the features and functions of your iPad, including accessibility features, notes, the calendar, maps, surfing the web, email, buying new apps, downloading iBooks and iTunes, watching videos, and more.

iPads are immensely popular—and for great reason; iPads are wonderful means of communication and entertainment for all ages, including seniors. Learning to use your iPad's features and functions can greatly enrich your iPad experience!

- Access updated coverage specifically developed for the latest generation of iPad products
- Review the use of each function and feature, ensuring that you get the most out of your new iPad
- Explore information about software, hardware, and the latest features of the updated iOS
- Stay engaged throughout the entire book with a straightforward but fun writing style and plenty of full-color graphics

iPad For Seniors For Dummies, 8ᵗʰ Edition is the perfect guide for the over-50 group who are either using an iPad for the first time or are upgrading to the latest iPad model.
