### Missing Links by Reilly, Rick (1997) Paperback

Missing Links is the story of four middle-class buddies who live outside Boston and for years have been 1) utterly obsessed with golf and 2) a regular foursome at Ponkaquogue Municipal Course and Deli, not so fondly known as Ponky, the single worst golf course in America. Just adjacent to these municipal links lies the Mayflower Country Club, the most exclusive private course in all of Boston and a major thorn in their collective sides. Frustrated by the Mayflower's finely manicured greens and snooty members, three of Ponky's most courageous-Two Down, the curvaceous Dannie, and Stick-set up a bet \$1,000 apiece, and the first to finagle their way onto the Mayflower takes all. A long overdue tribute to dog-meat public courses and the incurables who play them, Missing Links is a classic of golf literature.
