Katherine Contreras:

As a scholar exactly feel bored to help reading. If their teacher asked them to go to the library or to make summary for some guide, they are complained. Just small students that has reading's heart or real their interest. They just do what the trainer want, like asked to the library. They go to at this time there but nothing

reading very seriously. Any students feel that examining is not important, boring along with can't see colorful photos on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country.
