This book is about Dr. Laura Schlessinger. The book challenges the Doctor's views on abortion, working mothers, daycare, living together, pre-marital sex, and a myriad of other subjects that the doctor has a very narrow-minded perception of. She is rude and condescending and refers to her callers as "sluts", "hussies", "studs", and "stupid". It also looks into Dr. Schlessinger's past life experiences which leads one to believe that she is not the "moral" authority that she portrays to the public.
