How to Change Your Life...

Can a *book* change your life? Yes, when it's *Simplicity*, Muriel Sterling's guide to plain living. In fact, it inspires Jen Heath to leave her stressful, overcommitted life in Seattle and move to Icicle Falls, where she rents a lovely little cottage on Juniper Ridge. And where she can enjoy simple pleasures—like joining the local book club—and *complicated* ones, like falling in love with her sexy landlord, Garrett Armstrong.

Her sister Toni is ready for a change, too. She has a teenage daughter who's constantly texting her friends, a husband who's more involved with his computer than he is with her, and a son who's consumed by video games. Toni wants her family to grow closer—to return to a simpler way of life.

Other women in town, like Stacy Thomas, are also inspired to unload their excess stuff *and* some of the extra responsibilities they've taken on.

But as they all discover, sometimes life simply happens. It doesn't always happen simply!
