## **The Lazy Cook (Book 2): Quick And Easy Sweet Treats** Susie Kelly

"I like a dessert to make me feel slightly guilty about eating it, but not enough to make me stop." Susie Kelly

The 2nd instalment of the travel author's delightful round-ups of her favourite quick, simple, easy recipes, sprinkled with anecdote and humour.

Susie makes no claims to being a cooking queen. She admits that over the years she has made every cookery mistake possible, including pouring hot oil back into a plastic bottle and watching the bottle melt and flood most of the kitchen. Then there was the great icing sugar misunderstanding.... but in *The Lazy Cook* she has put together an irresistible collection of the tasty, comfort-food recipes that are enjoyed by her family and friends, spattered with generous blobs of anecdote and humour.

*Quick & Easy Sweet Treats* follows on from *The Lazy Cook Book 1: Quick & Easy Meatless Meals*.

One of those rare cookery books that won't be left on the shelf, but will mature with well-thumbed age as its pages become patterned with stains of food, wine, cream, butter and all things delicious

"Susie Kelly has an easy laid back style, which I find very pleasant reading. Her descriptions and commentary are delicious, and I enjoy just browsing the book." US Amazon reader
