**A new addition to the popular series -- it's time to tell teachers just how valuable and appreciated they really are!**

Everyone knows that teachers are overworked and underpaid. Too often even the students they teach don't understand the effort that is put into each class period. *What If There Were No Teachers?* uses illustrations on the order of Norman Rockwell to let teachers everywhere know that we couldn't live without them.

A beautifully illustrated poem reveals how sad life would be without teachers, and this uplifting book will be a gift that any teacher will cherish. With Teacher Appreciation Day celebrated each year, what better way to say a special "thank you" to those who have given their time and energy to make our world a better place.
