# American Indian Sovereignty and Law: An Annotated Bibliography (Native American Bibliography Series)

## **American Indian Sovereignty and Law: An Annotated Bibliography (Native American Bibliography Series)**

*American Indian Sovereignty and Law: An Annotated Bibliography* covers a wide variety of topics and includes sources dealing with federal Indian policy, federal and tribal courts, criminal justice, tribal governance, religious freedoms, economic development, and numerous sub-topics related to tribal and individual rights. While primarily focused on the years 1900 to the present, many sources are included that focus on the 19th century or earlier.

The annotations included in this reference will help researchers know enough about the arguments and contents of each source to determine its usefulness. Whenever a clear central argument is made in an article or book, it is stated in the entry, unless that argument is made implicit by the title of that entry. Each annotation also provides factual information about the primary topic under discussion. In some cases, annotations list topics that compose a significant portion of an author's discussion but are not obvious from the title of the entry. *American Indian Sovereignty and Law* will be extremely useful in both studying Native American topics and researching current legal and political actions affecting tribal sovereignty.
