Ever since his girlfriend Belle dumped him, he's been spending less time with old friends and more time getting wasted at clubs. But after someone slips him a designer drug one night — and his stepmother seems to know way too much about his private life things really start to get scary. As Thomas's blackouts give way to a sinister voice inside his head, and as news of a vicious hate crime has students on edge, Thomas comes to the sickening realization that Madame Vileroy has involved him in a horrifying supernatural plan. How can he muster the strength and will to stop it? The pulse-quickening climax revisits Jekyll and Hyde as a current-day cautionary tale laced with a heady dose of paranormal intrigue.
