Evolution and the Future (Beyond Humanism: Trans- and Posthumanism / Jenseits des Humanismus: Trans- und Posthumanismus)

Leading scholars from various disciplines analyze the relevance of evolutionary theory for future developments, whereby the fields of anthropology, ethics, and theology are considered in particular detail. The main parts of the collection are dedicated to the following three questions: What are the basic principles of evolutionary processes? Is it morally legitimate to influence evolution by means of enhancement technologies? What is the relationship between evolutionary theory and belief in God?
