You probably have read the Fifty Shades of Grey trilogy by EL James already. If you were beguiled by how Anastasia Steele stated the story based on her viewpoint, you will be more amazed by how our Mr. Grey looked at things. He was a control freak, yes and you probably found him despicable AT FIRST, but in this book, readers will understand him more deeply—his bittersweet kind of relationship as a Dominant and as a lover.

You might encounter scenes, which oppose Anastasia's view about it. The book indeed proves that different sexes calculate situations differently. If you considered Grey as an impulsive young man, in his viewpoint, it would reveal otherwise.

“There's hope,” as what he always say. The determination to win Anastasia's approval would open readers to the fact that a stonehearted man does still have a chance to find love and regain himself out from the past.

Possessing things does not make the world go round; love does.
