Kayla's Sloth (First Time, BDSM Erotica) (The Seven Carnal Sins Book 4) Tiga Monroe

Warning: The following story contains themes of first time sexual exploration, masturbation, BDSM and scorching hot sex with orgasm denial.

Sloth rules the life of the young and nerdy college student Kayla. Crippled by her own fear of letting anyone close, she struggles to find fulfillment in her life.

That is, until she meets a charming stranger online. The two hit it off and things take a steamy turn as Kayla begins to explore her body in ways she never dared.

When Damien and Kayla finally meet face-to-face, it's time for the *untouched* co-ed to take what she wants.

Excerpt:

So, you have me here, what would you like to ask me? No waiting involved.

I lost all the moisture in my mouth. What did I want to ask him? A million things. My fingers twitched over the keyboard. I could ask him something innocent like his favorite color, but that wasn't very important to me. Online I could be more brazen, I didn't have to be coy. I took a deep breath before typing.

What are you looking for in a girl?

I hit send before I could talk myself out of it.

He seemed to be typing for a long time and I was beginning to think I'd crossed a line when his response came through.

I like a girl that knows what she wants and isn't afraid to go out and take it for herself. A girl with a sense of humor about life. A girl that can see her flaws and want to change them and better herself.

I frowned, none of that sounded like me at all.

I think you've got the wrong girl, I'm not any of those things.

I think you are, Kayla. You just need the right motivation.

Seeing my name typed out by him brought my butterflies back with a vengeance.

What kind of motivation?

The sexual kind.

Oh.

I worried at my bottom lip; I had nothing more to say. I was curious about what he meant, but didn't dare ask for clarification.

The kind of motivation where I tease you until you can't stand it anymore. Where I touch and stroke and caress every inch of you until your legs are shaking and you beg for more. Where I kiss you so thoroughly that you forget what day of the week it is and all your shyness goes right out the window.
