As a student exactly feel bored to reading. If their teacher requested them to go to the library in order to make summary for some e-book, they are complained. Just small students that has reading's heart and soul or real their interest. They just do what the educator want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that reading through is not important, boring as well as can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we really wish for.
