Warning: This is not the actual book The Longest Ride by Nicholas Sparks. This is A Brief Read of The Longest Ride by Nicholas Sparks, as summarized and interpreted by Johnna Russell.

The novel is an inspiring tale of eternal and enduring love. The plot weaves around two different stories: that of Ira and Ruth and that of Luke and Sophia. Separated by several decades and with very little in common, fate brings them together in a climax that is unexpected and touching.

In the end, it is only love that survives the test of time. Pure love, at any age and under any circumstances will find a way to survive. The most precious gift a person can receive is someone to share their longest ride with; the ride of life.
