**There Are Save Two Churches Only, Volume II: He Has Trodden the Winepress Alone** D. Christian Markham

A journey through disturbing yet crucial matters that must be considered prior to End Times and Christ's return.

This second volume takes a different approach from the first. It is a journey, not a pick-and-choose buffet. It begins by taking the reader where the first volume left off — "down the rabbit hole" — to face many of the darkest crevices of the devil's kingdom while guided by the truth-exposing light of the Holy Spirit. The journey concludes in confronting the LDS reader with a crucible, wherewith one's faith and trust in Christ (and in Christ alone) will be put to the ultimate test.

There are save two churches only:

Which one does your everyday mindset, and your personal and professional choices, testify that you are a member of?

What is the foundation upon which you anchor your sacred testimony?

How close, how intimate, how cherished is your relationship with Jesus Christ?

If you are not prepared to answer these questions with full conviction of heart, then you are not ready to contemplate the contents of this book. Subdue your vanity and ego with humility and soul-wrenching penitence before proceeding.
