**World Music: A Global Journey, 3rd Edition** Terry E. Miller, Andrew Shahriari

Authors Terry E. Miller and Andrew Shahriari take students around the world to experience the diversity of musical expression. *World Music: A Global Journey*, now in its third edition, is known for its breadth in surveying the world's major cultures in a systematic study of world music within a strong pedagogical framework.

As one prepares for any travel, each chapter starts with background preparation, reviewing the historical, cultural, and musical overview of the region. Visits to multiple 'sites' within a region provide in-depth studies of varied musical traditions. Music analysis begins with an experimental "first impression" of the music, followed by an "aural analysis" of the sound and prominent musical elements. Finally, students are invited to consider the cultural connections that give the music its meaning and life.

Features of the Third Edition

**Dynamic companion web site hosts new Interactive Listening Guides, plus many resources for student and instructor. Built to serve online courses.**MP3 files for accompanying audio are available with eBook only when purchased through Routledge.com.
