Interracial Justice: Conflict and Reconciliation in Post-Civil Rights America (Critical America)

Eric K. Yamamoto

Interracial Justice: Conflict and Reconciliation in Post-Civil Rights America (Critical America) Eric K. Yamamoto

The United States in the twenty-first century will be a nation of so-called minorities. Shifts in the composition of the American populace necessitate a radical change in the ways we as a nation think about race relations, identity, and racial justice.

Once dominated by black-white relations, discussions of race are increasingly informed by an awareness of strife among nonwhite racial groups. While white influence remains important in nonwhite racial conflict, the time has come for acknowledgment of ways communities of color sometimes clash, and their struggles to heal the resulting wounds and forge strong alliances.

Melding race history, legal theory, theology, social psychology, and anecdotes, Eric K. Yamamoto offers a fresh look at race and responsibility. He tells tales of explosive conflicts and halting conciliatory efforts between African Americans and Korean and Vietnamese immigrant shop owners in Los Angeles and New Orleans. He also paints a fascinating picture of South Africa's controversial Truth and Reconciliation Commission as well as a pathbreaking Asian American apology to Native Hawaiians for complicity in their oppression. An incisive and original work by a highly respected scholar, **Interracial Justice** greatly advances our understanding of conflict and healing through justice in multiracial America.
